micro-pore mist

skin condition

Younger, breakout-prone skin.

description

A refreshing toner that minimizes visible pores, brightens post-breakout marks and reduces excess oil.

top products to prescribe

- Breakout Clearing Foaming Wash
- Clearing Defense SPF 30

retail

4 US FL OZ / 118 mL

application

Spritz on after cleansing morning and night or throughout the day as needed.

key ingredients

Wild Rose Hips Flavonoid Complex: helps reduce oily shine and minimize pores from the first use, through pore-shrinking technology.

Niacinamide (Vitamin B3): helps diminish the appearance of pores and post-breakout marks while also working to brighten skin and even skin tone.

Witch Hazel, Green Tea and Matricaria Flower Extracts: provide a pore-tightening effect.

Cucumber Extract: refreshes the senses for a cool pick-me-up.

benefits / top retailing points

Reduces the appearance of pores after one use.

Brightens skin and the appearance of post-breakout marks.

Helps reduce excess oil.
